

Table 1

Sr. No.	Vulnerability Detected	Bootstrap Version	Vulnerability Description	Suggestion	
1	XSS	4.1.1	XSS is possible in the data-container property of tooltip.	Use Bootstrap 4.5.2 No vulnerabilities found in 4.5.2. The online support for bootstrap 4.0.0 is high due to its stability and major release but it has these vulnerabilities.	
2	XSS	4.1.1	XSS is possible in collapse data-parent attribute		
3	XSS	4.1.1	XSS is possible in the data-target property of scrollspy.
